

1st March 2022

Dear Parents /Carers

Big Yellow Friday for Children's Liver Disease – 4th March
Include Blue too in recognition of the crisis in Ukraine -4th March

On Friday 4th March, as you know, it is Big Yellow Friday, and we are wearing yellow in recognition of the fundraising day for children's liver disease.

We have also had people ask if we shall be fundraising for the crisis in Ukraine. As yellow is half of the Ukraine flag, we have agreed with the parents for whom we are fundraising for, if we can make it a double fundraising effort for both Children's Liver Disease and the Ukraine Crisis through the British Red Cross.

We have agreed, unless otherwise clearly stated on the envelope or to the staff member, that we shall spilt the donations across the 2 charities.

The news over the last week has been very upsetting and we know that we will have people in our school community who know or have family caught up in this situation, whether it be in Ukraine or the neighbouring countries. Please be assured that anything discussed in school will only be as necessary and in an age-appropriate way, but we recognise that some children may have picked up on the news and may have questions or worries. If your child needs support from our Pastoral Manager, Kay Shaw then please do not hesitate to ask.

We know people give what they can with any fundraising efforts, so we would like to say thank you in advance of your invaluable support.

Kind regards

Mrs L.A. Chappell
Principal
