Delta Stars

Delta Stars is our new Personal Development offer. Our aim is to provide children with a wide range of opportunities, activities and experiences during their time with us that go above and beyond the academic curriculum. The opportunities are set out across 16 strands. Completing one of the activities such as attending an after-school club, being a reading ambassador, going on a school visit or even helping in the community will earn the children a 'Star Card'.

For each task a child completes, children will receive a Star Card to place in their folder. If a child earns 6 Star Cards, they will earn a Bronze Star Card. If they earn 9 cards, they will achieve a Silver Star Card and if they earn 12, they will achieve a Gold Star Card.
